A National Level Benchmarking cum Scholarship Test for Class VI to X

1. INTRODUCTION

MyExams.AI, a leading test-prep and EdTech platform, proudly announces the launch of the National Talent Scholarship Contest (NTSC) — a National-Level Benchmarking and Scholarship Test for students of Classes 6 to 10, for the academic session 2025–26.

NTSC is envisioned as a prestigious benchmarking and scholarship test that offers students a unique opportunity to assess their academic potential, win monthly scholarships, and earn national-level recognition.

2. OBJECTIVES OF NTSC

To identify and reward talented students across India.

To provide national-level benchmarking with scientific analysis of performance.

To foster competitive aptitude and critical thinking from an early stage.

To promote academic curiosity and excellence beyond the classroom boundaries.

3. TARGET STUDENTS & ELIGIBILITY

Segment	Details
Target Classes	Class VI, VII, VIII, IX, X
Target Boards	All National, International, and State Boards in India (Except NIOS)

4. EXAM STRUCTURE

(i) Stages of the Examination

Stage	Level of Exam
Stage- 1 (Qualifiers)	Qualifier round for Stage- 2
Stage- 2	National level (Qualifiers of Stage- 1)

Note: Students scoring 60% and above in the Stage-1 (Qualifiers) round will be eligible for Stage-2.

(ii) Mode & Medium of Examination

Parameter	Details
Mode of Exam	Offline (Pen-Paper Based) & Online (CBT Mode)
Medium of Exam	Bilingual – English and Hindi, or Gujarati

5. SUBJECT COVERED, PAPER PATTERN & MARKING SCHEME

(i) Subjects Covered:

Students will be assessed on subjects from their previous and current classes for both Stage-1 and Stage-2. In addition, Mental Ability will be included as an additional subject for evaluation in both stages.

Mathematics

Science (Physics, Chemistry, Biology)

Social Science

Mental Ability

(ii) Exam Level and Pattern:

Stages	Level of Exam	Total Questions	Total Time
Stage- 1	Easy to Moderate	50 Questions	60 Minutes
Stage- 2	Moderate to Tough	100 Questions	90 Minutes

Note: The syllabus for stage-2 is aligned with the current class level and is slightly advanced, in line with Olympiad standards.

6. FEE STRUCTURE

Stages	Participation Fee
Stage- 1	₹400 per candidate (Inclusive of all taxes)
Stage- 2	No Fee

7. AWARDS AND SCHOLARSHIPS

There are two categories of prizes namely scholarship through NTSC & Toppers rewards.

National Scholarships	Qualifier Round Rewards
• Monthly Scholarship (₹1,000 per student per class for one year) • National Toppers' Rewards (Cash Prizes for the top 3 rankers per class) • Certificates (For stage 2 qualified students)	• Cash Awards (Prizes for the top 3 rankers per class) • Participation Certificates (For all participants)

Note: For more details of Awards, Scholarships & Conditions for prizes, scan the QR Code given at front page of the document.

8. QUALIFYING CRITERIA

Stages	Criteria
Stage- 1	Open for All.
Stage- 2	Students scoring 60% and above in Stage-1 of each class qualify for Stage-2.
Awards and Scholarships	The top 25 students of each class who score above 75% in Stage-2 will qualify for the Scholarship Program.

9. HOW TO PARTICIPATE

Stage- 1	Offline/Online at their respective School or Coaching	Stage- 2	Offline/Online at selected centres in India
	• Registration through School/Coaching • Online Registration also available • Participation fee applicable • Exam conducted at the respective School/Coaching centre		• All details will be shared with qualified students after the announcement of NTSC Stage-1 results. Note: The mode of exam at any stage, as well as the venue for Stage-1 or Stage-2, may be changed at the last minute; however, all participants will be notified in a timely manner.

10. RESPONSIBILITIES

	School/Coaching Responsibilities		MyExams.AI Responsibilities
	• Nominate Coordinator • Registration Support • Infrastructure Support • Exam Conduction Support		• Registration Platform • Result Analytics • Certificates • Scholarships

11. SIGNIFICANCE OF NTSC

- National level benchmarking for students of Classes 6th to 10th.
- Scholarship + Recognition.
- Scientifically designed question papers by top experts.
- Pan-India participation with a bilingual interface (English, Hindi, or Gujarati).
- Transparent and technology-driven online examination process.
- Detailed performance report with benchmarking analysis.
- Opportunity to be mentored by India's top educators.
- Personalized academic insights to improve subject-wise skills.
- Psychometric-based assessment to identify the strengths and interests of students for suitable career direction.

NTSC is backed by an Academic Council and Mentor Panel consisting of leading educators, academic experts and technocrats from premier Indian institutions ensuring fairness, quality, and integrity.
